References in this presentation (“Presentation”) to “TSLX,” “we,” “us,” “our” and “the Company” refer to TPG Specialty Lending, Inc.

This Presentation includes forward-looking statements about TSLX that involve substantial risks and uncertainties. These forward-looking statements are not historical facts, but rather are based on current expectations, estimates and projections about us, our current and prospective portfolio investments, our industry, our beliefs, and our assumptions. Words such as “anticipates,” “expects,” “intends,” “plans,” “believes,” “seeks,” “estimates,” “would,” “should,” “targets,” “projects,” and variations of these words and similar expressions are intended to identify forward-looking statements. These statements are not guarantees of future performance and are subject to risks, uncertainties, and other factors, some of which are beyond our control and difficult to predict, that could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. Such factors include, but are not limited to the risks, uncertainties and other factors we identify in the section entitled “Risk Factors” in filings we make with the Securities and Exchange Commission. Opinions expressed are current opinions as of the date of this Presentation.

We have based the forward-looking statements included in this presentation on information available to us on the date of this Presentation, and we assume no obligation to update any such forward-looking statements. Should TSLX’s estimates, projections and assumptions or these other uncertainties and factors materialize in ways that TSLX did not expect, actual results could differ materially from the forward-looking statements in this Presentation.

Information throughout the Presentation provided by sources other than TSLX (including information relating to portfolio companies) has not been independently verified and, accordingly, TSLX makes no representation or warranty in respect of this information.

The following slides contain summaries of certain financial and statistical information about TSLX. The information contained in this Presentation is summary information that is intended to be considered in the context of our Securities and Exchange Commission filings and other public announcements that we may make, by press release or otherwise, from time to time. We undertake no duty or obligation to publicly update or revise the information contained in this Presentation. In addition, information related to past performance, while helpful as an evaluative tool, is not necessarily indicative of future results, the achievement of which cannot be assured. You should not view the past performance of TSLX, or information about the market, as indicative of TSLX’s future results. This Presentation does not constitute a prospectus and should under no circumstances be understood as an offer to sell or the solicitation of an offer to buy any securities of TSLX.

Note: Figures are as of 6/30/2017 quarter end unless otherwise noted

- 1) Represents our core portfolio, which excludes certain investments that fall outside of our typical borrower profile. EBITDA is defined as earnings before interest, tax, depreciation and amortization. This calculation may vary depending on the portfolio company
- 2) Return on Average Equity is calculated using weighted average equity. Weighted average equity is calculated by starting with NAV at the beginning of the period, adjusting daily for equity issuances and adjusting on the last day of the period for that period's net income and dividends payable
- 3) Deferred Financing Costs total \$9.2mm at 6/30/16, \$8.6mm at 9/30/16, \$11.0mm at 12/31/16, \$14.1mm at 3/31/17, and \$13.3mm at 6/30/17
- 4) Pro-forma for unsettled trades of \$0 at 6/30/16, -\$3mm at 9/30/16, \$0 at 12/31/16, -\$7mm at 3/31/17 and \$0 at 6/30/17
- 5) Daily average debt outstanding during the quarter divided by daily average net assets during the quarter. Daily average net assets is calculated by starting with the prior quarter end net asset value and adjusting for capital activity during the quarter (adding common stock offerings / DRIP contributions)
- 6) Total yield on investments is calculated based on the interest rate and the accretion of OID, exclusive of investments on non-accrual status
- 7) Interest from investments – interest and dividend income includes accrued interest and dividend income, amortization of purchase discounts (premiums) and certain fees, and accelerated amortization of upfront fees from scheduled principal payments
- 8) Interest from investments – other fees includes prepayment fees and accelerated amortization of upfront fees from unscheduled paydowns
- 9) Other income includes amendment and syndication fees and other income
- 10) New investments are net of sell-downs
- 11) Fundings exclude intra-quarter revolver borrowings that are repaid by quarter-end
- 12) Par value; excludes amortization, excess cash flow sweeps, PIK, FX movements, and intra-quarter revolver borrowings that are repaid by quarter-end
- 13) Interest rate on debt outstanding includes the swap-adjusted interest expense related to our Convertible Notes
- 14) In connection with the convertible senior note offerings, the Company entered into interest rate swaps to continue to align the interest rates of our liabilities with our investment portfolio, which consists of predominately floating rate loans. As a result of the swaps, our effective interest rate on the 2019 and 2022 convertible senior notes was three-month LIBOR plus 286.0 basis points and 237.2 basis points respectively, which reflects the current terms.
- 15) Weighted by amortized cost of debt investments. Investments are financed by debt and permanent equity capital. This analysis assumes longer-dated investments are currently funded by permanent equity capital (57% of investments) and the remaining (shorter-dated) investments (43% of investments) are currently funded by debt financing. Investments for purposes of this analysis include unfunded commitments
- 16) Convertible debt treated as floating rate due to interest rate swap TSLX entered into to swap fixed notes payments for floating rate payments
- 17) Weighted by gross commitment amount. Reflects current terms
- 18) Total distributions and shares issued before accounting for proceeds reinvested under the company's dividend reinvestment (DRIP) program
- 19) Includes special dividend of \$260,000, or \$0.01 per share
- 20) Includes special dividend of \$1,110,781, or \$0.03 per share
- 21) Includes over-allotment shares issued. Offering price of \$16.00 per share less \$0.38 dividend per share
- 22) Reflects equity offerings since 2014, including capital calls pursuant to the subscription agreement between the Company and private placement investors prior to our initial public offering
- 23) Reflects aggregate amount of shares repurchased across various dates throughout stated time period
