**PROXY STATEMENT
FOR THE 2023
ANNUAL MEETING OF STOCKHOLDERS**

The accompanying proxy is solicited on behalf of the Board of Directors (the “Board”) of Sixth Street Specialty Lending, Inc., which is sometimes referred to in this proxy statement as “TSLX,” “we,” “us,” “our,” or the “Company,” for use at the 2023 Annual Meeting of Stockholders (the “Meeting”) to be held at the offices of Cleary Gottlieb Steen & Hamilton LLP, One Liberty Plaza, 38th Floor, New York, NY 10006 on May 25, 2023, at 9:30 a.m., Eastern Time. Only holders of record of our common stock at the close of business on March 31, 2023, which is the record date, will be entitled to vote at the Meeting. At the close of business on the record date, we had 81,751,865 shares of common stock outstanding and entitled to vote.

It is anticipated that the Notice of Internet Availability of Proxy Materials will first be sent to Stockholders on or about April 13, 2023. This proxy statement, including the accompanying form of proxy (collectively, the “Proxy Statement”), and the Company’s Annual Report for the fiscal year ended December 31, 2022 will first be made available to stockholders on or about April 13, 2023. The Annual Report and Proxy Statement can both be accessed online at www.proxyvote.com.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if the accompanying proxy is executed and returned (and not revoked) prior to the Meeting, the shares of the Company’s common stock represented by the proxy will be voted (1) **FOR** the election of the Class III director candidates nominated by the Board and (2) **FOR** the ratification of the selection of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022. Should any matter not described above be properly presented at the Meeting, the named proxies will vote in accordance with their judgment as permitted.

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the record date.

The 2023 Annual Meeting of Stockholders is being held for the following purposes:

1. To elect three Class III directors, each to serve for a three-year term and until a successor has been duly elected and qualified or until the director’s earlier resignation or removal.
2. To ratify the selection of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2023.
3. To transact such other business as may properly come before the 2023 Annual Meeting of Stockholders or any postponement or adjournment thereof.

Quorum, Effect of Abstentions and Broker Non-Votes, Vote Required to Approve the Proposals

A majority of the outstanding shares of common stock must be present or represented by proxy at the Meeting in order to have a quorum. If you have properly voted by proxy online, by phone, or via mail, you will be considered part of the quorum. We will count “abstain” and “withhold” votes as present for the purpose of establishing a quorum for the transaction of business at the Meeting. If at any time shares are held through brokers, we will count broker non-votes as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner votes on some matters on the proxy card, but not on others, because the broker does not have instructions from the beneficial owner or discretionary authority (or declines to exercise discretionary authority) with respect to those other matters.

Provided a quorum is present, directors are elected by a plurality of the votes represented at the meeting and voted for nominee(s) in the election. Broker non-votes, if any, though counted for purposes of establishing a quorum, will not affect the outcome of the voting on the elections. A proxy marked “withhold” with respect to a director nominee will result in such director nominee receiving one fewer “FOR” vote that would count towards a plurality.

The affirmative vote of the majority of shares represented at the meeting and voting on the proposal will determine the outcome of the ratification of the independent registered public accounting firm. For each of these proposals, “abstain” votes and broker non-votes, if any, though counted for purposes of establishing a quorum, will have no effect on the outcome of the vote.

The inspector of elections appointed for the Meeting will separately tabulate affirmative votes, “against” votes or “withhold” votes, as applicable, “abstain” votes and broker non-votes.

Adjournment of Meeting

In the event that a quorum shall fail to attend the Meeting, either in person or represented by proxy, the stockholders entitled to vote at the Meeting (present in person or represented by proxy) shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented by proxy. Any such adjournment proposed by a stockholder or person named as a proxy would require the affirmative vote of the majority of the outstanding shares present in person or represented by proxy at the Meeting. In addition, pursuant to the bylaws of the Company, if there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Meeting, the chairman of the Meeting, or any other officer entitled to preside or to act as secretary at the Meeting, may adjourn or postpone the Meeting in order to permit further solicitation of proxies by the Company, without notice other than announcement at the meeting.

At any such adjourned or postponed meeting, any business may be transacted which might have been transacted at the meeting as originally called. If the adjournment is for more than 30 days, or if after adjournment a new record date is set, then a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Proxies for the Meeting

The named proxies for the Meeting are Ian Simmonds and Anton Brett (or their duly authorized designees), who will follow submitted proxy voting instructions. They will vote as the Board recommends herein as to any submitted proxies that do not direct how to vote on any item, and will vote on any other matters properly presented at the Meeting in their judgment.

Other Information Regarding This Proxy

The Company will pay the expenses of soliciting proxies to be voted at the Meeting. The Company has retained Broadridge Investor Communication Solutions, Inc. to assist with the distribution and collection of proxies for a fee of approximately \$75,000, plus reimbursement of expenses.

In addition to the solicitation of proxies by the use of the internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company and/or officers or employees of Sixth Street Specialty Lending Advisers, LLC, the Company's investment adviser (the "Adviser"). No additional compensation will be paid to such directors, officers or regular employees for such services. The address of the Adviser is 2100 McKinney Avenue, Suite 1500, Dallas, TX 75201.

Revocability of Proxies

A stockholder "of record" (i.e., stockholders holding shares directly in their name) may revoke any proxy by delivering a new proxy in accordance with applicable law bearing a later date, by giving notice of revocation in writing to the Secretary of the Company prior to the Meeting or by attending the Meeting and voting in person. However, the mere presence of the stockholder at the Meeting does not revoke the proxy.

If your shares are held for your account by a broker, bank or other institution or nominee, you may vote such shares at the Meeting only if you obtain proper written authority from your institution or nominee and present it at the Meeting. If your shares are held for your account by a broker, bank or other institution or nominee, to revoke any voting instructions prior to the time the vote is taken at the Meeting, you must contact such broker, bank or other institution or nominee to determine how to revoke your vote in accordance with its policies a sufficient time in advance of the Meeting.

We reserve the right to restrict admission to the meeting or limit the number of representatives for any entity that may be admitted to the meeting for security or health and safety reasons at our sole discretion.

You can vote in person at the Meeting. If you hold your shares in “street name”, you must obtain a proxy from the record holder to vote in person.

Street Name Holders

If your shares are held in a bank, brokerage or other institutional account, you are a beneficial owner of these shares but not the record holder. This is known as holding shares in “street name.” If you wish to vote the shares you hold in “street name” in person at the meeting, you must obtain a legal proxy from your bank, broker or other intermediary and bring it with you to hand in with your ballot.

Stockholder List

The list of our stockholders of record entitled to vote at the Meeting will be made available for viewing by stockholders at the Meeting for any purpose germane to the Meeting.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial ownership is determined in accordance with the rules and regulations of the U.S. Securities and Exchange Commission (the “SEC”). These rules generally provide that a person is the beneficial owner of securities if the person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire these powers within 60 days. The following table sets forth, as of March 31, 2023, the beneficial ownership as indicated in the Company’s books and records of each current director, the nominees for director, the Company’s Named Executive Officers, the Company’s executive officers and directors as a group, and each person known to the Company to beneficially own 5% or more of the outstanding shares of the Company’s common stock. With respect to persons known to the Company to beneficially own 5% or more of the outstanding shares of the Company’s common stock, the Company bases such knowledge on beneficial ownership filings made by the holders with the SEC.

The percentage ownership is based on 81,751,865 shares of common stock outstanding as of March 31, 2023. To the Company’s knowledge, except as indicated in the footnotes to the table, each of the stockholders listed below has sole voting and/or investment power with respect to shares beneficially owned by such stockholder. Unless otherwise indicated by footnote, the address for each listed individual is 2100 McKinney Avenue, Suite 1500, Dallas, TX 75201.

For purposes of computing the percentage of outstanding shares of common stock held by each person or group of persons named above on a given date, any security which such person or persons has the right to acquire within 60 days after such date is deemed to be outstanding for the purpose of determining the percentage of shares beneficially owned for such person, but is not deemed to be outstanding for the purpose of computing the percentage of beneficial ownership of any other person (except in the case of directors and executive officers as a group). CORPORATE GOVERNANCE

Our Board of Directors

Board Composition

Pursuant to our certificate of incorporation and our bylaws, our Board consists of nine members. Pursuant to our bylaws, the Board may increase or decrease the number of directors to no fewer than four and no greater than nine. The Board is divided into three classes, with the members of each class each serving staggered, three-year terms. The terms of our Class I directors will expire at the 2024 annual meeting of stockholders; the terms of our Class II directors will expire at the 2025 annual meeting of stockholders; and the terms of our Class III directors will expire at the Meeting.

Independent Directors

Pursuant to our certificate of incorporation, a majority of the Board will at all times consist of directors who are not “interested persons” of us, of the Adviser, or of any of our or its respective affiliates, as defined in the 1940 Act. Under Section 303A.00 of the NYSE Listed Company Manual, a director of a business development company (“BDC”) is considered to be independent if he or she is not an “interested person” of ours, as defined in Section 2(a)(19) of the 1940 Act. We refer to these directors as our “Independent Directors.”

Consistent with these considerations, after review of all relevant transactions and relationships between each director, or any of his or her family members, and us, the Adviser, or of any of our or its respective affiliates, the Board has determined that Messrs. Doddy, Higginbotham, Ross, Ms. Slotkin and Mr. Tanemura qualify as Independent Directors. Each director who serves on the Audit Committee is an independent director under the applicable NYSE listing standards and for purposes of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each director who serves on the Compensation Committee and Nominating and Corporate Governance Committee is an independent director under the applicable NYSE listing standards. A majority of the voting members of the Risk Management Committee are Independent Directors.

Interested Directors

Messrs. Easterly, Fishman, Ms. Gordon and Mr. Stiepleman are considered “interested persons” (as defined in the 1940 Act) of the Company since both of them are employed by the Adviser. See “Proposal No. 1 Election of Directors – Biographical Information.”

Meetings and Attendance

Our Board met four times in 2022 and acted on various occasions by written consent. Our Board also holds informal periodic telephonic update meetings. No incumbent director attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which he or she has been a director) and the total number of meetings held by all committees of the Board on which he or she served (during the periods that he or she served).

Board Attendance at the Meeting

Our policy is to encourage our directors to attend each annual meeting of stockholders; however, attendance is not required. Mr. Easterly attended the 2022 annual meeting of stockholders virtually, as the meeting was held completely virtually.

Board Leadership Structure and Role in Risk Oversight

Our Board monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements, cybersecurity and the

[Table of Contents](#)

services, expenses and performance of service providers to us. Among other things, our Board approves the appointment of our Adviser and our officers, reviews and monitors the services and activities performed by our investment adviser and our executive officers.

Our Board designates a chairman to preside over the meetings of the Board and to perform other duties as may be assigned to him by the Board. We do not have a fixed policy as to whether the chairman of the Board should be an Independent Director and believe that we should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in our best interests and the best interests of our stockholders at such times.

Presently, Mr. Easterly serves as the chairman of our Board. We believe that Mr. Easterly's familiarity with our investment platform and extensive knowledge of the financial services industry qualifies him to serve as the chairman of our Board.

Our Board does not currently have a designated lead Independent Director. We are aware of the potential conflicts that may arise when a non-Independent Director is chairman of the Board, but believe these potential conflicts are offset by our strong corporate governance practices. Our corporate governance practices include regular meetings of the Independent Directors in executive session without the presence of interested directors and management, as well as the establishment of a Nominating and Corporate Governance Committee, a Compensation Committee and an Audit Committee, each consisting solely of Independent Directors for the purposes of the NYSE corporate governance rules and, in the case of the Audit Committee, Rule 10A-3 under the Exchange Act. During executive sessions, the Chair of the Audit Committee or her designee acts as presiding director. We also have a Risk Management Committee, a majority of the voting members of which are Independent Directors. In addition, our corporate governance practices include the appointment of our Chief Compliance Officer, with whom the Independent Directors meet in executive session without the presence of interested directors and other members of management for administering our compliance policies and procedures. While certain non-management members of our Board currently participate on the boards of directors of other companies, we do not view their participation as excessive or as interfering with their duties on our Board.

Our Board performs its risk oversight function primarily through its committees and monitoring by our Chief Compliance Officer in accordance with its compliance policies and procedures.

As described below in more detail under “—Board Committees—Audit Committee,” the Audit Committee assists the Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing our accounting and financial reporting processes, our systems of internal controls regarding finance and accounting, and audits of our financial statements. The Audit Committee also discusses with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies.

In addition, as described below under “—Board Committees—Risk Management Committee,” the Risk Management Committee assists the Board in its oversight of our overall risk tolerance and management of capital, liquidity, and funding planning and strategy. In performing its responsibilities, the Risk Management Committee liaises with the Chair of the Audit Committee to assist that committee in its review of our risk assessment and risk management matters.

Our Board also performs its risk oversight responsibilities with the assistance of the Chief Compliance Officer. Our Chief Compliance Officer prepares a written report annually discussing the adequacy and effectiveness of our compliance policies and procedures. The Chief Compliance Officer's report, which is reviewed by the Board, addresses:

- the adequacy of our compliance policies and procedures and certain of our service providers since the last report;

Table of Contents

- any material changes to these policies and procedures or recommended changes; and
- any compliance matter that has occurred about which the Board would reasonably need to know to oversee our compliance activities and risks.

In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors periodically, typically every quarter, but in no event less than once each year.

We believe that the Board's role in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a BDC. Specifically, as a BDC, we must comply with numerous regulatory requirements that control the levels of risk in its business and operations, including limitations under the 1940 Act on the amount of borrowings, debt securities or preferred stock we may incur or issue. In addition, we generally have to invest at least 70% of our total assets in "qualifying assets" and, subject to certain exceptions, we generally are not permitted to invest in any portfolio company in which our affiliates currently has an investment. In addition, we have elected to be treated as a regulated investment company ("RIC") under Subchapter M of the Internal Revenue Code of 1986, as amended (the "Code"). As a RIC, we must, among other things, meet certain source of income, asset diversification and distribution requirements.

Further, we believe that the Board's structure and practices enhance its risk oversight because our Independent Directors separately meet in executive sessions with the Chief Compliance Officer and independent registered public accounting firm without any conflict that could be perceived to discourage critical review.

We believe that the Board's role in risk oversight must be evaluated on a case-by-case basis and that its existing role in risk oversight is appropriate.

Communications with Directors

Our Board has established procedures whereby our stockholders and other interested parties may communicate with any member of our Board, the chairman of any of our Board committees or with our non-management directors as a group by mail addressed to the applicable directors or director group, in the care of the Chief Compliance Officer, Anton Brett, Sixth Street Specialty Lending, Inc., 888 7th Avenue, 41st Floor, New York, NY 10106. Such communications should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations, will be forwarded to the appropriate director, or directors, for review.

In addition, information on how to report issues related to financial statement disclosures, accounting, internal accounting controls or auditing matters to our Board or the Independent Directors via email is available on our website at <http://www.sixthstreetspecialtylending.com>.

Doddy, Higginbotham, Ross, Ms. Slotkin and Mr. Tanemura, each of whom is independent for purposes of the NYSE corporate governance rules, and each of whom is not an “interested person” of the Company, of the Adviser, or of any of their respective affiliates as defined in Section 2(a)(19) of the 1940 Act. Mr. Higginbotham serves as Chairman. The Nominating and Corporate Governance Committee held two meetings in 2022.

Compensation Committee

The Compensation Committee operates pursuant to the Compensation Committee Charter. The Compensation Committee Charter sets forth the responsibilities of the Compensation Committee. The Compensation Committee is responsible for:

- reviewing and approving the reimbursement by us of compensation paid by the Adviser or its affiliates pursuant to the terms of the investment advisory agreement entered into by and between the Company and the Adviser, as amended (the “Investment Advisory Agreement”) and the administration agreement entered into between us and the Adviser, as amended (the “Administration Agreement”);

Risk Management Committee

The Risk Management Committee operates pursuant to the Risk Management Committee Charter. The Risk Management Committee Charter sets forth the responsibilities of the Risk Management Committee. The Risk Management Committee is responsible for assisting the Board in its oversight of the Company’s overall risk tolerance and management of capital, liquidity, and fund planning and strategy. Risk assessment and risk management are the primary responsibility of the Company’s management. The Risk Management Committee’s responsibility is one of oversight and review, in furtherance of the Board’s oversight role.

The voting members of the Risk Management Committee are Messrs. Easterly, Ross and Tanemura, and the non-voting members of the committee are Messrs. Simmonds and Pluss. Messrs. Ross and Tanemura are independent for purposes of the NYSE corporate governance rules. Mr. Easterly serves as Chairman. The Risk Management Committee held four meetings in 2022, which were held jointly with a meeting of the full board.

We maintain a corporate governance section on our website, which contains copies of the charters for the committees of our Board. The corporate governance section contains the following documents:

Director Nominations

Nomination for election as a director may be made by, or at the direction of, the Nominating and Corporate Governance Committee or by stockholders in compliance with the procedures set forth in our bylaws.

Our bylaws provide the procedures to be followed by a stockholder desiring to make a director nomination. For a stockholder to properly bring any item of business before a meeting of stockholders, including nominations to serve as a director, the stockholder must give timely notice thereof in writing to our Secretary in compliance with the requirements of our bylaws. Stockholder notices or nominations for director should be made in writing to the Secretary of the Company, Anton Brett, Sixth Street Specialty Lending, Inc., 2100 McKinney Avenue, Suite 1500, Dallas, TX 75201. Please refer to the text of our bylaws (including Article II, paragraph (K)), which are on file with the SEC, and “Bylaw Requirements for Stockholder Submission of Nominations and Proposals” in this proxy statement for additional information.

In evaluating director nominees, the Nominating and Corporate Governance Committee considers, among others, the following factors:

- the appropriate size and composition of our Board;
- whether or not the person is an “interested person” of TSLX as defined in Section 2(a)(19) of the 1940 Act;

Table of Contents

- the needs of TSLX with respect to the particular talents and experience of its directors;
- the knowledge, skills and experience of nominees in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- character and integrity;
- familiarity with national and international business matters;
- experience with accounting rules and practices;
- the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members; and
- any applicable laws, rules, regulations, and listing standards.

The Nominating and Corporate Governance Committee's goal is to assemble a board that brings to TSLX a variety of perspectives and skills derived from high-quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider other factors as they may deem are in the best interests of TSLX and its stockholders. The Board also believes it appropriate for certain key members of our management to participate as members of the Board.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Nominating and Corporate Governance Committee decides not to re-nominate a member for re-election or if there are otherwise any vacancies on the Board, the Nominating and Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. The members of the Board are polled for suggestions as to individuals meeting the aforementioned criteria. Research may also be performed to identify qualified individuals.

The Board has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Nominating and Corporate Governance Committee considers and discusses diversity, among other factors, with a view toward the needs of the Board as a whole. The Board generally conceptualizes diversity expansively to include, without limitation, concepts such as race and ethnicity, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board when identifying and recommending director nominees. The Board believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board's goal of creating a Board that best serves the needs of TSLX and the interests of our stockholders.

Code of Ethics

We have adopted a SOX Code of Business Conduct and Ethics which applies to, among others, our executive officers, including our Principal Executive Officers and Principal Financial Officer, as well as every officer, director and employee of the Company. There have been no material changes to our corporate code of ethics or material waivers of the code that apply to our Chief Executive Officers or Chief Financial Officer. Our SOX Code of Business Conduct and Ethics and our Corporate Governance Guidelines can be accessed on our website at <http://www.sixthstreetspecialtylending.com> in the "Investor Resources" section. We intend to disclose any substantive amendments to or waivers of required provisions of the SOX Code of Business Conduct and Ethics on our website or on a current report on Form 8-K.

Policy on Hedging and Speculative Transactions

We consider it improper and inappropriate for our directors and officers, as well as employees of the Adviser, to engage in short-term or speculative transactions in our securities. Pursuant to the insider trading policy applicable to our directors and officers and employees of the Adviser, all trades in our securities by such parties must be pre-cleared with Sixth Street Legal and Compliance. The insider trading policy prohibits those directors, officers and employees from engaging in certain transactions that can allow the offset of downside risk associated with investment in our securities. This prohibition applies to short sales and transactions in publicly traded options, such as puts, calls or other derivative securities. We strongly discourage, but do not prohibit, those directors, officers, and employees from engaging in other types of hedging transactions, such as exchange funds. Any such proposed transaction must be approved by Sixth Street Legal and Compliance. Our directors and officers and employees of the Adviser may not hold our securities in a margin account or pledge our securities as collateral for a loan or other transaction. Exceptions may be granted by Sixth Street Legal and Compliance in certain situations, including if our securities are pledged as collateral for a loan and the person clearly demonstrates the financial capacity to repay the loan without resort to the pledged securities.

Our Investment Adviser and Administrator

Sixth Street Specialty Lending Advisers, LLC is our external manager. Our Adviser is a Delaware limited liability company. Our Adviser acts as our investment adviser and administrator, and is a registered investment adviser with the SEC under the Investment Advisers Act of 1940, as amended, or the Advisers Act. Our Adviser sources and manages our portfolio through a dedicated team of investment professionals predominately focused on us, which we refer to as our Investment Team. Our Investment Team is led by our Chairman and Chief Executive Officer and our Adviser's Co-Chief Investment Officer Joshua Easterly and our Adviser's Co-Chief Investment Officer Alan Waxman, both of whom have substantial experience in credit origination, underwriting and asset management. Our investment decisions are made by an investment review committee (the "Investment Review Committee"), which includes senior personnel of our Adviser and Sixth Street. The members of the Investment Review Committee are Joshua Easterly, Michael Fishman, Bo Stanley, David Stiepleman and Alan Waxman.

Sixth Street is a global investment business with approximately \$65 billion of assets under management. Sixth Street operates nine diversified, collaborative investment platforms: Specialty Lending, Lending Partners, Specialty Lending Europe, TAO, Opportunities, Credit Market Strategies, Growth, Fundamental Strategies, and Agriculture. Sixth Street has a long-term oriented, highly flexible capital base that allows it to invest across industries, geographies, capital structures and asset classes. Sixth Street has extensive experience with highly complex, global public and private investments executed through primary originations, secondary market purchases and restructurings, and has a team of over 475 investment and operating professionals. As of December 31, 2022, forty-four (44) of these personnel are focused on our strategy, including thirty-four (34) investment professionals.

Our Adviser consults with Sixth Street in connection with a substantial number of our investments. The Sixth Street platform provides us with a breadth of large and scalable investment resources. We believe we benefit from Sixth Street's market expertise, insights into industry, sector and macroeconomic trends and intensive due diligence capabilities, which help us discern market conditions that vary across industries and credit cycles, identify favorable investment opportunities and manage our portfolio of investments.

The Adviser's address is 2100 McKinney Avenue, Suite 1500, Dallas, TX 75201.

Relationship with Sixth Street

Our investment activities are managed by our Adviser, which is responsible for sourcing, researching and structuring potential investments, monitoring our portfolio companies and providing operating, managerial and administrative assistance to us and to our portfolio companies as required.

Table of Contents

The Adviser is registered under the Advisers Act and is an affiliate of Sixth Street. Other affiliates of Sixth Street are also registered investment advisers and provide investment advisory services to a number of private investment funds. In addition, Sixth Street and its affiliates engage in a broad range of other investment activities, including pursuing investments for their own account and for the account of associated funds and providing other services to these funds and their portfolio companies. Sixth Street manages another BDC targeting loan originations of larger size than the originations that we target. The Adviser held 2,714,226 shares, or 3.3%, of our common stock as of March 31, 2023.

We believe we benefit from the Adviser's relationships with Sixth Street. The Adviser has access to the contacts and industry knowledge of Sixth Street's investment professionals, and is also able to consult with Sixth Street investment professionals on specific industry issues, trends and other matters to complement our investment process. However, the Adviser and members of the Investment Review Committee are expected to face a number of actual and potential conflicts of interest involving us, Sixth Street and other private investment funds affiliated with Sixth Street, including conflicts in the allocation of investment opportunities among us and other Sixth Street vehicles, as well as in their time and attention requirements as to these other vehicles. Additionally, various potential and actual conflicts of interest may arise from the overall advisory, investment and other activities of the Adviser, its affiliates, including Sixth Street and its clients.

Allocations of Investment Opportunities

Certain members of the Adviser's senior management and the Investment Review Committee are and will continue to be active in other investment funds affiliated with Sixth Street that pursue investment opportunities that could overlap with those pursued by us. However, the Adviser and its affiliates intend to allocate investment opportunities in a fair and equitable manner in accordance with their allocation principles.

As described in more detail below, the SEC granted us a new exemptive order in August 2022, pursuant to which Sixth Street must generally make us aware of all investment opportunities that fall within certain criteria established by our Board from time to time pursuant to the terms of the order, which we refer to as the "Board Established Criteria". Our Adviser will ultimately determine whether an investment opportunity is appropriate for us in view of our investment objectives, positions, policies, strategies and restrictions, as well as regulatory requirements and other relevant factors.

Specifically, the Adviser will determine whether it would be permissible, advisable or otherwise appropriate for us to pursue a particular investment opportunity. For example, certain loan origination investment opportunities may not be suitable for us if they would cause us to violate asset coverage or concentration limitations imposed by the 1940 Act or the Code, be ineligible for financing under our financing arrangements, pose adverse legal, regulatory or tax risks, constrain our resources to make future investments, involve inappropriate investment risk or otherwise be inappropriate or inadvisable as an investment for us. If the Adviser deems participation in an investment opportunity to be appropriate, it will determine an appropriate size for our investment. The size of any investment opportunity allocated to us may also be reduced to the extent the investment would be appropriate for investment by other investment funds affiliated with Sixth Street, even if the investment falls within our Board Established Criteria. The decision to allocate an opportunity as between us and other Sixth Street vehicles will take into account various factors that Sixth Street and our Adviser deem appropriate.

Our ability to pursue investment opportunities is subject to the allocation decisions by Sixth Street senior professionals. Such opportunities may be required to be offered to, or may be otherwise suitable for, other Sixth Street funds or investment vehicles. As a result, the Adviser and its affiliates may face conflicts in allocating investment opportunities between us and those other entities. It is possible that we may not be given the opportunity to participate in certain investments made by Sixth Street vehicles that would otherwise be suitable for us. We will typically not be able to participate under the exemptive order in investments that fall outside of our Board Established Criteria. Sixth Street has organized separate investment vehicles, aimed specifically at

Table of Contents

middle-market loan originations and may in the future organize vehicles aimed at other loan origination opportunities outside our primary focus (for example, based on opportunity size or geography).

If the Adviser, Sixth Street and their affiliates were to determine that an investment is appropriate both for us and for one or more other affiliated vehicles, we would only be able to make the investment in conjunction with another vehicle to the extent the exemptive order granted to us by the SEC permits us to do so or the investment is otherwise permitted under relevant SEC guidance.

The Adviser believes this allocation system is fair and equitable, and consistent with its fiduciary duty to us. In particular, we have disclosed to investors that Sixth Street must make us aware of all investment opportunities that fall within our Board Established Criteria. In addition, we have disclosed how allocation determinations are made among Sixth Street vehicles in connection with such opportunities, including those circumstances in which the Adviser may be required to offer them to these affiliated vehicles.

Exemptive Order

Under the 1940 Act, we are prohibited from knowingly participating in certain transactions with our affiliates, including our officers, directors, investment adviser, and principal underwriters, and certain of their affiliates, without the prior approval of the members of our Board who are not interested persons and, in some cases, prior approval by the SEC through an exemptive order (other than in certain limited situations pursuant to current regulatory guidance).

On December 16, 2014, we were granted an exemptive order from the SEC that allows us to co-invest, subject to certain conditions and to the extent the size of an investment opportunity exceeds the amount our Adviser has independently determined is appropriate for us to invest, with certain of our affiliates (including affiliates of Sixth Street) in middle-market loan origination activities for companies domiciled in the United States and certain “follow-on” investments in companies in which we have already co-invested pursuant to the order and remain invested. On January 16, 2020, we filed a further application for co-investment exemptive relief with the SEC to better align our existing co-investment relief with more recent SEC exemptive orders. Subsequent further applications were also made, most recently as June 29, 2022. On August 3, 2022, the SEC granted an amended exemptive order in response to our application.

We believe our ability to co-invest with Sixth Street affiliates is particularly useful where we identify larger capital commitments than otherwise would be appropriate for us. We expect that with the ability to co-invest with Sixth Street affiliates we will continue to be able to provide “one-stop” financing to a potential portfolio company in these circumstances, which may allow us to capture opportunities where we alone could not commit the full amount of required capital or would have to spend additional time to locate unaffiliated co-investors.

Further, in accordance with the exemptive order, we have undertaken that, in connection with any commitment to a co-investment or follow-on investment, a “required majority” (as defined in Section 57(o) of the 1940 Act) of Independent Directors must make certain conclusions, including that:

- the terms of the proposed transaction (including the consideration to be paid) are reasonable and fair to us and our stockholders and do not involve overreaching of us or our stockholders on the part of any person concerned;
- the transaction is consistent with the interests of our stockholders and our investment strategies and policies;
- the investment by our affiliate would not disadvantage us, and our participation is not on a basis different from or less advantageous than that of our affiliate; and
- our investment will not benefit any affiliate other than the affiliate participating in the investment, and as otherwise permitted by the order.

Allocation of Non-Loan Origination Investment Opportunities

While we seek to generate current income primarily in U.S.-domiciled middle-market companies through direct originations of senior secured loans, we may also invest up to 30% of our portfolio opportunistically in securities or other instruments of issuers not deemed eligible portfolio companies under the 1940 Act. These opportunities may include, among other things, debt issued by companies located outside the United States, publicly and privately traded debt and equity securities of companies listed on a national securities exchange with a market capitalization of \$250 million or more, certain high yield bonds and other instruments or assets (including consumer and commercial loans). Many of these opportunities may be required to be offered to, or may be otherwise suitable for, other Sixth Street funds or investment vehicles, in which case the scope or size of opportunities otherwise available to us may be adversely affected or reduced. In the event that an investment opportunity falls within our Board Established Criteria and Sixth Street is not required to, and otherwise determines not to, direct these investment opportunities to an affiliated fund, we may be permitted to participate in such investment opportunity under the terms of our current exemptive order.

Administrator

The Adviser also serves as our administrator. The administrator, on behalf of us and at our expense, may retain one or more service providers that may also be affiliates of Sixth Street to serve as sub-administrator, custodian, accounting agent, investor services agent, transfer agent or other service provider for us. Any fees we pay, or indemnification obligations we undertake, in respect of the administrator and those other service providers that are Sixth Street affiliates, will be set at arm's length and approved by the Independent Directors.

Fees

In the course of our investing activities, we pay fees to the Adviser, incur direct expenses and reimburse the Adviser for certain expenses it incurs.

Certain Business Relationships

Certain of our current directors and officers are directors or officers of the Adviser or its affiliates. See "Proposal No. 1 Election of Directors – Biographical Information."

Investment Advisory Agreement; Administration Agreement; License Agreement

On April 15, 2011, we entered into the Investment Advisory Agreement with our Adviser. The Investment Advisory Agreement was subsequently amended on December 12, 2011.

Under the Investment Advisory Agreement, the Adviser:

- determines the composition of our portfolio, the nature and timing of the changes to our portfolio and the manner of implementing those changes;
- identifies, evaluates and negotiates the structure of the investments we make (including performing due diligence on our prospective portfolio companies);
- determines the assets we will originate, purchase, retain or sell;

Table of Contents

- closes, monitors and administers the investments we make, including the exercise of any rights in our capacity as a lender or equity holder; and
- provides us other investment advisory, research and related services as we may, from time to time, reasonably require for the investment of our funds, including providing operating and managerial assistance to us and our portfolio companies, as required.

The Adviser's services under the Investment Advisory Agreement are not exclusive, and the Adviser is free to furnish similar or other services to others so long as its services to us are not impaired.

Under the terms of the Investment Advisory Agreement, we pay the Adviser a base management fee, or the "Management Fee," and may also pay certain incentive fees, or "Incentive Fees".

The Management Fee is calculated at an annual rate of 1.5% based on the average value of our gross assets calculated using the values at the end of the two most recently completed calendar quarters, adjusted for any share issuances or repurchases during the period. The Management Fee is payable quarterly in arrears.

For the year ended December 31, 2022, Management Fees (gross of waivers) were \$39.9 million.

Any waived Management Fees are not subject to recoupment by the Adviser.

The Adviser intends to waive a portion of the Management Fee payable under the Investment Advisory Agreement by reducing the Management Fee on assets financed using leverage over 200% asset coverage (in other words, over 1.0x debt to equity) (the "Leverage Waiver"). Pursuant to the Leverage Waiver, the Adviser intends to waive the portion of the Management Fee in excess of an annual rate of 1.0% (0.250% per quarter) on the average value of our gross assets as of the end of the two most recently completed calendar quarters that exceeds the product of (i) 200% and (ii) the average value of our net asset value at the end of the two most recently completed calendar quarters. For the year ended December 31, 2022, Management Fees of \$0.4 million were waived pursuant to the Leverage Waiver. Any waived Management Fees are not subject to recoupment by the Adviser pursuant to the Leverage Waiver.

The Incentive Fee consists of two parts, as follows:

- (i) The first component, payable at the end of each quarter in arrears, equals 100% of the pre-Incentive Fee net investment income in excess of a 1.5% quarterly "hurdle rate," the calculation of which is further explained below, until the Adviser has received 17.5% of the total pre-Incentive Fee net investment income for that quarter and, for pre-Incentive Fee net investment income in excess of 1.82% quarterly, 17.5% of all remaining pre-Incentive Fee net investment income for that quarter. The 100% "catch-up" provision for pre-Incentive Fee net investment income in excess of the 1.5% "hurdle rate" is intended to provide the Adviser with an Incentive Fee of 17.5% on all pre-Incentive Fee net investment income when that amount equals 1.82% in a quarter (7.28% annualized), which is the rate at which catch-up is achieved. Once the "hurdle rate" is reached and catch-up is achieved, 17.5% of any pre-Incentive Fee net investment income in excess of 1.82% in any quarter is payable to the Adviser.

Pre-Incentive Fee net investment income means dividends, interest and fee income accrued by us during the calendar quarter, minus our operating expenses for the quarter (including the Management Fee, expenses payable under the Administration Agreement to the Administrator, and any interest expense and dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay-in-kind interest and zero coupon securities), accrued income that we may not have received in cash. Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital gains or losses.

Table of Contents

- (ii) The second component, payable at the end of each fiscal year in arrears, equaled 15% through March 31, 2014 and, beginning April 1, 2014, equals a weighted percentage of cumulative realized capital gains from our inception to the end of that fiscal year, less cumulative realized capital losses and unrealized capital losses. This component of the Incentive Fee is referred to as the Capital Gains Fee. Each year, the fee paid for this component of the Incentive Fee is net of the aggregate amount of any previously paid Capital Gains Fee for prior periods. For capital gains that accrue following March 31, 2014, the Incentive Fee rate is 17.5%. We accrue, but do not pay, a capital gains Incentive Fee with respect to unrealized capital gains because a capital gains Incentive Fee would be owed to the Adviser if we were to sell the relevant investment and realize a capital gain. The weighted percentage is intended to ensure that for each fiscal year following the completion of the IPO, the portion of our realized capital gains that accrued prior to March 31, 2014, is subject to an Incentive Fee rate of 15% and the portion of our realized capital gains that accrued beginning April 1, 2014 is subject to an Incentive Fee rate of 17.5%. As of March 31, 2020, there are no remaining investments that were made prior to April 1, 2014, and as a result, the Incentive Fee rate of 17.5% is applicable to any future realized capital gains.

For purposes of determining whether pre-Incentive Fee net investment income exceeds the hurdle rate, pre-Incentive Fee net investment income is expressed as a rate of return on the value of our net assets at the end of the immediately preceding calendar quarter.

Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital gains or losses. Because of the structure of the Incentive Fee, it is possible that we may pay an Incentive Fee in a quarter in which we incur a loss. For example, if we receive pre-Incentive Fee net investment income in excess of the quarterly minimum hurdle rate, we will pay the applicable Incentive Fee even if we have incurred a loss in that quarter due to realized and unrealized capital losses. In addition, because the quarterly minimum hurdle rate is calculated based on our net assets, decreases in our net assets due to realized or unrealized capital losses in any given quarter may increase the likelihood that the hurdle rate is reached and therefore the likelihood of us paying an Incentive Fee for that quarter. Our net investment income used to calculate this component of the Incentive Fee is also included in the amount of our gross assets used to calculate the Management Fee because gross assets are total assets (including cash received) before deducting liabilities (such as declared dividend payments).

Section 205(b)(3) of the Advisers Act, as amended, prohibits the Adviser from receiving the payment of fees on unrealized gains until those gains are realized, if ever. There can be no assurance that such unrealized gains will be realized in the future. For the year ended December 31, 2022, Incentive Fees were \$24.5 million, \$33.4 million of which was realized and payable to the Adviser. The Adviser did not waive any Incentive Fees for the year ended December 31, 2022.

Since our IPO, with the exception of its waiver of Management Fees and certain Incentive Fees attributable to our ownership of certain investments and the Leverage Waiver, the Adviser has not waived its right to receive any Management Fees or Incentive Fees payable pursuant to the Investment Advisory Agreement.

In November 2022, the Board renewed the Investment Advisory Agreement. Unless earlier terminated as described below, the Investment Advisory Agreement will remain in effect until November 2023, and may be extended subject to required approvals. The Investment Advisory Agreement will automatically terminate in the event of an assignment and may be terminated by either party without penalty on 60 days' written notice to the other party.

Our Board monitors the mix and performance of our investments over time and seeks to satisfy itself that the Adviser is acting in our interests and that our fee structure appropriately incentivizes the Adviser to do so.

Table of Contents

On March 15, 2011, we entered into the Administration Agreement with our Adviser. Under the terms of the Administration Agreement, the Adviser provides administrative services to us. These services include providing office space, equipment and office services, maintaining financial records, preparing reports to stockholders and reports filed with the SEC, and managing the payment of expenses and the oversight of the performance of administrative and professional services rendered by others. Certain of these services are reimbursable to the Adviser under the terms of the Administration Agreement. See “—*Payment of Our Expenses*” below. In addition, the Adviser is permitted to delegate its duties under the Administration Agreement to affiliates or third parties and we pay or reimburse the Adviser expenses incurred by any such affiliates or third parties for work done on our behalf. For the year ended December 31, 2022, we incurred expenses of \$3.1 million for administrative services payable under the terms of the Administration Agreement.

From time to time, the Adviser may pay amounts owed by us to third-party providers of goods or services, including the Board, and we will subsequently reimburse the Adviser for such amounts paid on our behalf. Amounts payable to the Adviser are settled in the normal course of business without formal payment terms.

In November 2022, the Board renewed the Administration Agreement. Unless earlier terminated as described below, the Administration Agreement will remain in effect until November 2023, and may be extended subject to required approvals. The Administration Agreement may be terminated by either party without penalty on 60 days’ written notice to the other party.

No person who is an officer, director or employee of the Adviser or its affiliates and who serves as our director receives any compensation from us for his or her services as a director. However, we reimburse the Adviser or its affiliates for an allocable portion of the compensation paid by the Adviser or its affiliates to our Chief Compliance Officer, Chief Financial Officer, and other professionals who spend time on those related activities (based on the percentage of time those individuals devote, on an estimated basis, to our business and affairs). Directors who are not affiliated with the Adviser receive compensation for their services and reimbursement of expenses incurred to attend meetings.

The Adviser does not assume any responsibility to us other than to render the services described in, and on the terms of the Investment Advisory Agreement and the Administration Agreement, and is not responsible for any action of our Board in declining to follow the advice or recommendations of the Adviser. Under the terms of the Investment Advisory Agreement and the Administration Agreement, the Adviser (and its members, managers, officers, employees, agents, controlling persons and any other person or entity affiliated with it) shall not be liable to us for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under the Investment Advisory Agreement, the Administration Agreement or otherwise as an investment adviser of ours (except to the extent specified in Section 36(b) of the 1940 Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services). We shall, to the fullest extent permitted by law, provide indemnification and the right to the advancement of expenses, to each person who was or is made a party or is threatened to be made a party to or is involved (including, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a member, manager, officer, employee, agent, controlling person of the Adviser or any other person or entity affiliated with the Adviser, or is or was a member of the Adviser’s Investment Review Committee, on the same general terms set forth in Article VIII of our certificate of incorporation.

United States federal and state securities laws may impose liability under certain circumstances on persons who act in good faith. Nothing in the Investment Advisory Agreement will constitute a waiver or limitation of any rights that we may have under any applicable federal or state securities laws.

Amounts payable to the Adviser are settled in the normal course of business without formal payment terms. We also reimburse the Adviser or its affiliates for the allocable portion of the costs of compensation, benefits, and related administrative expenses of our officers who provide operational and administrative services to us pursuant to the Administration Agreement, their respective staffs and other professionals who provide services to us (including, in each case, employees of the Adviser or an affiliate). Such reimbursable amounts include the allocable portion of the compensation paid by the Adviser or its affiliates to our Chief Compliance Officer, Chief Financial Officer, and other professionals who spend time on those related activities, including individuals who provide “back office” or “middle office” financial, operational, legal and/or compliance services to us. Duration and Termination

Unless earlier terminated as described below, both the Investment Advisory Agreement and the Administration Agreement will remain in effect until November 2023, and each may be extended subject to required approvals. Each agreement will remain in effect from year to year thereafter if approved annually by our Board or by the affirmative vote of the holders of a majority of our outstanding voting securities, and, in either case, if also approved by a majority of our Independent Directors. The Investment Advisory Agreement automatically terminates in the event of its assignment, as defined in the 1940 Act, by the Adviser. Each agreement may be terminated by either party without penalty on 60 days’ written notice to the other party. The holders of a majority of our outstanding voting securities may also terminate each agreement without penalty on 60 days’ written notice.

Indemnification

The Investment Advisory Agreement and the Administration Agreement provide that the Adviser and its members, managers, officers, employees, agents, controlling persons and any other person or entity affiliated with it shall not be liable to us for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under the Investment Advisory Agreement, the Administration Agreement or otherwise as an investment adviser of ours (except to the extent specified in Section 36(b) of the 1940 Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services). We will, to the fullest extent permitted by law, provide indemnification and the right to the advancement of expenses, to each person who was or is made a party or is threatened to be made a party to or is involved (including, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative, because he or she is or was a member, manager, officer, employee, agent, controlling person or any other person or entity affiliated with the Adviser, including without limitation the Administrator, or is or was a member of the Adviser’s Investment Review Committee, on the same general terms set forth in our certificate of incorporation. Our obligation to provide indemnification and advancement of expenses is subject to the requirements of the 1940 Act and Investment Company Act Release No. 11330, which, among other things, preclude indemnification for any liability (whether or not there is an adjudication of liability or the matter has been settled) arising by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of duties, and require reasonable and fair means for determining whether indemnification will be made.

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected KPMG LLP to serve as our independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2023. While the Audit Committee is responsible for the appointment, compensation, retention, termination and oversight of the independent auditor, we are requesting, as a matter of good corporate governance, that the stockholders ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain KPMG LLP and may retain that firm or another without re-submitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

KPMG LLP's representatives are expected to be available telephonically for the Meeting and will have an opportunity to make a statement, if they so desire, as well as to respond to appropriate questions asked by our stockholders.

The Board recommends that our stockholders vote "FOR" ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023.

All Other Fees

For each of the years ended December 31, 2022 and 2021, there were no fees billed for services rendered by KPMG LLP not reportable as Audit Fees, Audit-Related Fees or Tax Fees.

The services provided by KPMG LLP described in “Audit-Related Fees,” “Tax Fees” and “All Other Fees” above, were approved by the Audit Committee according to applicable SEC rules. The Audit Committee has determined the rendering of the above-mentioned non-audit services by KPMG LLP was compatible with maintaining our independent registered public accounting firm’s independence.

Auditor Independence

The Audit Committee has considered whether the provision of the above-noted services is compatible with maintaining the independence of the independent registered public accounting firm and has determined that the provision of such services has not adversely affected KPMG LLP’s independence.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board operates under a written charter adopted by the Board. The Audit Committee is currently composed of Messrs. Ross, Doddy, Higginbotham and Tanemura and Ms. Slotkin.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (US) and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States and for auditing and reporting on the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Review with Management

The Audit Committee has reviewed the audited financial statements, along with management's assessment of the effectiveness of the Company's internal control over financial reporting, and met and held discussions with management regarding the audited financial statements and its assessment of the effectiveness of the Company's internal control over financial reporting. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has reviewed and discussed the Company's audited financial statements, along with management's assessment of the effectiveness of the Company's internal control over financial reporting and KPMG LLP's evaluation of the Company's internal control over financial reporting, with management and KPMG LLP, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review the results of KPMG's examinations, the Company's internal controls and the quality of the Company's financial reporting.

The Audit Committee also has discussed with KPMG matters relating to KPMG's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Public Company Accounting Oversight Board Auditing Standard No. 16, Communications with

Audit Committees. In addition, the Audit Committee has discussed with KPMG their independence from management and the Company, as well as the matters in the written disclosures received from KPMG and required by Public Company Accounting Oversight Board Rule 3526, Communication with Audit Committees Concerning Independence. The Audit Committee received a written communication from KPMG confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with KPMG the Company's critical accounting policies and practices, other material written communications to management, and the scope of KPMG's audits and all fees paid to KPMG during the fiscal year. The Audit Committee has adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by KPMG for the Company. The Audit Committee has reviewed and considered the compatibility of KPMG's performance of non-audit services with the maintenance of KPMG's independence as the Company's independent registered public accounting firm.

Conclusion

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, the Audit Committee's review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2022 for filing with the Securities and Exchange Commission. The Audit Committee also recommended the selection of KPMG LLP to serve as the independent registered public accounting firm for the year ending December 31, 2023.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for the Notice of Internet Availability of Proxy Materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are the Company’s stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to our Investor Relations Department by mail at Sixth Street Specialty Lending, Inc., 888 7th Avenue, 41st Floor, New York, NY 10106, Attention: TSLX Investor Relations, by email at IRTSLX@sixthstreet.com or by phone at 469-621-2033. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement, annual report and/or Notice of Internet Availability of Proxy Materials, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement, annual report and/or Notice of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, WE URGE YOU TO VOTE OVER THE INTERNET, BY PHONE, OR BY MARKING, SIGNING AND RETURNING YOUR PROXY OR VOTING INSTRUCTION CARD AS SOON AS POSSIBLE. NO POSTAGE IS NECESSARY IF MAILED IN THE UNITED STATES.

By Order of the Board of Directors,

/s/ Anton Brett
