The Issuer entered into separate subscription agreements with a number of investors providing for the private placement of the Company's common shares pursuant to a private offering ("Private Offering"). Pursuant to a privately-negotiated subscription agreement between the Issuer and the Reporting Person (the "Subscription Agreement") dated as of April 15, 2011 (the "Initial Closing Date"), the Reporting Person made a capital commitment of \$150,000,000 (the "Commitment") to purchase shares of the Issuer's Common Stock in the Private Offering. Pursuant to the Subscription Agreement, the Reporting Person is required to make capital contributions, in an aggregate amount not to exceed the Commitment, to purchase shares of Common Stock each time the Issuer delivers a drawdown notice, which will be delivered at least 10 business days prior to the required funding date. Additionally, at all times prior to the occurrence of a Qualified IPO (as defined below), the Issuer will reinvest all cash dividends declared by the Issuer's Board of Directors (the "Board") on behalf of the Reporting Person unless the Reporting Person elects to receive its dividends in cash, crediting to the Reporting Person a number of shares of Common Stock equal to cash value of the dividend payable to the Reporting Person. Upon the earlier to occur of an initial public offering of Common Stock that results in an unaffiliated public float of at least \$75 million (a "Qualified IPO"), and the fourth anniversary of the Initial Closing Date, the Reporting Person will be released from any further obligation to purchase additional shares, subject to certain exceptions contained in the Subscription Agreement.
