**PROXY STATEMENT
FOR THE 2015
ANNUAL MEETING OF STOCKHOLDERS**

The accompanying proxy is solicited on behalf of the Board of Directors (the “Board”) of TPG Specialty Lending, Inc., which is sometimes referred to in this proxy statement as “TSL,” “we,” “us,” “our,” or the “Company,” for use at the 2015 Annual Meeting of Stockholders (the “Meeting”) to be held at the offices of Cleary Gottlieb Steen & Hamilton LLP, One Liberty Plaza (on Broadway between Liberty and Cortlandt Streets), 38th Floor, New York, NY 10006 on May 21, 2015, at 10:00 a.m., local time. Only holders of record of our common stock at the close of business on March 27, 2015, which is the record date, will be entitled to vote at the Meeting. At the close of business on the record date, we had 53,959,848 shares of common stock outstanding and entitled to vote.

It is anticipated that the Notice of Internet Availability of Proxy Materials will first be sent to Stockholders on or about April 10, 2015. This proxy statement, including the accompanying form of proxy (collectively, the “Proxy Statement”), and the Company’s Annual Report for the fiscal year ended December 31, 2014 will first be made available to stockholders on or about April 10, 2015. The Annual Report and Proxy Statement can both be accessed online at www.proxyvote.com.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if the accompanying proxy is executed and returned (and not revoked) prior to the Meeting, the shares of the Company’s common stock represented by the proxy will be voted (1) **FOR** the election of the Class I director candidates nominated by the Board and (2) **FOR** the ratification of the selection of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015. Should any matter not described above be properly presented at the Meeting, the named proxies will vote in accordance with their judgment as permitted.

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the record date.

The 2015 Annual Meeting of Stockholders is being held for the following purposes:

1. To elect two Class I directors, each to serve for a three-year term and until a successor has been duly elected and qualified or until the director’s earlier resignation or removal.
2. To ratify the selection of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015.
3. To transact such other business as may properly come before the 2015 Annual Meeting of Stockholders or any postponement or adjournment thereof.

Quorum, Effect of Abstentions and Broker Non-Votes, Vote Required to Approve the Proposals

A majority of the outstanding shares of common stock must be present or represented by proxy at the Meeting in order to have a quorum. If you have properly voted by proxy online, by phone, or via mail, you will be considered part of the quorum. We will count “abstain” and “withhold” votes as present for the purpose of establishing a quorum for the transaction of business at the Meeting. If at any time shares are held through brokers, we will count broker non-votes as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner votes on some matters on the proxy card, but not on others, because the broker does not have instructions from the beneficial owner or discretionary authority (or declines to exercise discretionary authority) with respect to those other matters.

Provided a quorum is present, directors are elected by a plurality of the votes represented at the meeting and voted for nominee(s) in the election. Broker non-votes, if any, though counted for purposes of establishing a quorum, will not affect the outcome of the voting on the elections. A proxy marked “withhold” with respect to a director nominee will result in such director nominee receiving one fewer “FOR” vote that would count towards a plurality.

The affirmative vote of the majority of shares represented at the meeting and voting on the proposal will determine the outcome of the ratification of the independent registered public accounting firm. For each of these proposals, “abstain” votes and broker non-votes, if any, though counted for purposes of establishing a quorum, will have no effect on the outcome of the vote.

The inspector of elections appointed for the Meeting will separately tabulate affirmative votes, “withhold” votes, “abstain” votes and broker non-votes.

Adjournment of Meeting

In the event that a quorum shall fail to attend the Meeting, either in person or represented by proxy, the stockholders entitled to vote at the Meeting (present in person or represented by proxy) shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented by proxy. At such adjourned meeting at which a quorum shall be present or represented by proxy, any business may be transacted which might have been transacted at the meeting as originally called. If the adjournment is for more than 30 days, or, if after adjournment a new record date is set, then a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. Any such adjournment proposed by a stockholder or person named as a proxy would require the affirmative vote of the majority of the outstanding shares present in person or represented by proxy at the Meeting.

Proxies for the Meeting

The named proxies for the Meeting are Jennifer Gordon and David Stiepleman (or their duly authorized designees), who will follow submitted proxy voting instructions. They will vote as the Board recommends herein as to any submitted proxies that do not direct how to vote on any item, and will vote on any other matters properly presented at the Meeting in their judgment.

Other Information Regarding This Proxy

The Company will pay the expenses of soliciting proxies to be voted at the Meeting. The Company has retained Broadridge Investor Communications Solutions, Inc. to assist with the distribution and collection of proxies for a fee of approximately \$12,000, plus reimbursement of expenses.

In addition to the solicitation of proxies by the use of the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company and/or officers or

employees of TSL Advisers, LLC, the Company's investment adviser (the "Adviser"). No additional compensation will be paid to such directors, officers or regular employees for such services. The address of the Adviser is 301 Commerce Street, Suite 3300, Fort Worth, TX 76102.

Revocability of Proxies

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial ownership is determined in accordance with the rules and regulations of the U.S. Securities and Exchange Commission (the “SEC”). These rules generally provide that a person is the beneficial owner of securities if the person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire these powers within 60 days. The following table sets forth, as of March 27, 2015 the beneficial ownership as indicated in the Company’s books and records of each current director, the nominees for director, the Company’s Named Executive Officers, the Company’s executive officers and directors as a group, and each person known to the Company to beneficially own 5% or more of the outstanding shares of our common stock. With respect to persons known to the Company to beneficially own 5% or more of the outstanding shares of the Company’s common stock, the Company bases such knowledge on beneficial ownership filings made by the holders with the SEC.

The percentage ownership is based on 53,959,848 shares of common stock outstanding as of March 27, 2015. To the Company’s knowledge, except as indicated in the footnotes to the table, each of the stockholders listed below has sole voting and/or investment power with respect to shares beneficially owned by such stockholder. Unless otherwise indicated by footnote, the address for each listed individual is 301 Commerce Street, Suite 3300, Fort Worth, TX 76102.

For purposes of computing the percentage of outstanding shares of common stock held by each person or group of persons named above on a given date, any security which such person or persons has the right to acquire within 60 days after such date is deemed to be outstanding for the purpose of determining the percentage of shares beneficially owned for such person, but is not deemed to be outstanding for the purpose of computing the percentage of beneficial ownership of any other person (except in the case of directors and executive officers as a group). Except as otherwise noted, each beneficial owner of more than five percent of our common stock and each director and executive officer has sole voting and/or investment power over the shares reported.

CORPORATE GOVERNANCE

Our Board of Directors

Board Composition

Pursuant to our certificate of incorporation and our bylaws, our Board consists of five members. Pursuant to our bylaws, the Board may increase or decrease the number of directors to no fewer than four and no greater than nine. The Board is divided into three classes, with the members of each class each serving staggered, three-year terms. The terms of our Class I directors expire at the Meeting; the term of our Class II director will expire at the 2016 annual meeting of stockholders; and the terms of our Class III directors will expire at the 2017 annual meeting of stockholders.

Independent Directors

Pursuant to our certificate of incorporation, a majority of the Board will at all times consist of directors who are not “interested persons” of us, of the Adviser, or of any of our or its respective affiliates, as defined in the 1940 Act. Under Section 303A.00 of the NYSE Listed Company Manual, a director of a business development company (“BDC”) is considered to be independent if he or she is not an “interested person” of ours, as defined in Section 2(a)(19) of the 1940 Act. We refer to these directors as our “Independent Directors.”

Consistent with these considerations, after review of all relevant transactions and relationships between each director, or any of his or her family members, and us, the Adviser, or of any of our or its respective affiliates, the Board has determined that Messrs. Higginbotham, Ross and Tanemura qualify as Independent Directors. Each director who serves on the Audit Committee is an independent director under the applicable NYSE listing standards and for purposes of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each director who serves on the Compensation Committee and Nominating and Corporate Governance Committee is an independent director under the applicable NYSE listing standards.

Interested Directors

Messrs. Easterly and Fishman are considered “interested persons” (as defined in the 1940 Act) of the Company since both of them are employed by the Adviser. See “Proposal No. 1 Election of Directors – Biographical Information.”

Meetings and Attendance

Our Board met four times in 2014 and acted on various occasions by written consent. No incumbent director attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which he has been a director) and the total number of meetings held by all committees of the Board on which he served (during the periods that he served).

Board Attendance at the Meeting

Our policy is to encourage our directors to attend each annual meeting of stockholders; however, attendance is not required. Messrs. Easterly and Fishman attended last year’s annual meeting of stockholders in person.

Board Leadership Structure and Role in Risk Oversight

Our Board monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to us. Among other things, our Board approves the appointment of our Adviser and our officers, reviews and monitors the services and activities performed by our investment adviser and our executive officers.

[Table of Contents](#)

Our Board designates a chairman to preside over the meetings of the Board and to perform other duties as may be assigned to him by the Board. We do not have a fixed policy as to whether the chairman of the Board should be an Independent Director and believe that we should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in our best interests and the best interests of our stockholders at such times.

Presently, Mr. Easterly serves as the chairman of our Board. We believe that Mr. Easterly's familiarity with our investment platform and extensive knowledge of the financial services industry qualifies him to serve as the chairman of our Board.

Our Board does not currently have a designated lead Independent Director. We are aware of the potential conflicts that may arise when a non-Independent Director is chairman of the Board, but believe these potential conflicts are offset by our strong corporate governance practices. Our corporate governance practices include regular meetings of the Independent Directors in executive session without the presence of interested directors and management, as well as the establishment of a Nominating and Corporate Governance Committee, a Compensation Committee and an Audit Committee, each consisting solely of Independent Directors for the purposes of the NYSE corporate governance rules and, in the case of the Audit Committee, Rule 10A-3 under the Exchange Act. During executive sessions, the chairman of the Audit Committee or his designee acts as presiding director. In addition, our corporate governance practices include the appointment of our Chief Compliance Officer, with whom the Independent Directors meet in executive session without the presence of interested directors and other members of management for administering our compliance policies and procedures. While certain non-management members of our Board currently participate on the boards of directors of other companies, we do not view their participation as excessive or as interfering with their duties on our Board.

The Board performs its risk oversight function primarily through its committees and monitoring by our Chief Compliance Officer in accordance with its compliance policies and procedures.

As described below in more detail under " – Board Committees – Audit Committee," the Audit Committee assists the Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing our accounting and financial reporting processes, our systems of internal controls regarding finance and accounting, and audits of our financial statements. The Audit Committee also discusses with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies.

The Board also performs its risk oversight responsibilities with the assistance of the Chief Compliance Officer. Our Chief Compliance Officer prepares a written report annually discussing the adequacy and effectiveness of our compliance policies and procedures. The Chief Compliance Officer's report, which is reviewed by the Board, addresses:

- the adequacy of our compliance policies and procedures and certain of our service providers since the last report;
- any material changes to these policies and procedures or recommended changes; and
- any compliance matter that has occurred about which the Board would reasonably need to know to oversee our compliance activities and risks.

In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors periodically, typically every quarter, but in no event less than once each year.

We believe that the Board's role in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a BDC. Specifically, as a BDC, we must comply with numerous regulatory requirements that control the levels of risk in its business and operations. The 1940 Act limits our ability to incur borrowings, issue debt securities or issue preferred stock unless after any borrowing or issuance the ratio of total

[Table of Contents](#)

assets (less total liabilities other than indebtedness) to total indebtedness plus preferred stock, is at least 200%. In addition, we generally have to invest at least 70% of our total assets in “qualifying assets” and, subject to certain exceptions, we generally are not permitted to invest in any portfolio company in which our affiliates currently has an investment. In addition, we have elected to be treated as a regulated investment company (“RIC”) under Subchapter M of the Internal Revenue Code of 1986, as amended (the “Code”). As a RIC, we must, among other things, meet certain source of income, asset diversification and distribution requirements.

Further, we believe that the Board’s structure and practices enhance its risk oversight because our Independent Directors separately meet in executive sessions with the Chief Compliance Officer and independent registered public accounting firm without any conflict that could be perceived to discourage critical review.

We believe that the Board’s role in risk oversight must be evaluated on a case-by-case basis and that its existing role in risk oversight is appropriate.

Communications with Directors

Our Board has established procedures whereby our stockholders and other interested parties may communicate with any member of our Board, the chairman of any of our Board committees or with our non-management directors as a group by mail addressed to the applicable directors or director group, in the care of the Secretary of the Company, Jennifer Mello, TPG Specialty Lending, Inc., 301 Commerce Street, Suite 3300, Fort Worth, TX 76102. Such communications should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations, will be forwarded to the appropriate director, or directors, for review.

In addition, information on how to report issues related to financial statement disclosures, accounting, internal accounting controls or auditing matters to our Board or the non-management directors via email is available on our website at <http://www.tpgspecialtylending.com>.

Board Committees

We currently have three standing committees: the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee.

Audit Committee

The Audit Committee operates pursuant to the Audit Committee Charter. The Audit Committee Charter sets forth the responsibilities of the Audit Committee. The primary function of the Audit Committee is to serve as an independent and objective party to assist the Board in fulfilling its responsibilities for our accounting and reporting processes and the audits of its financial statements by overseeing and monitoring:

- the quality and integrity of our financial statements;
- the adequacy of our system of internal controls;
- the financial reporting process, including the valuation of investments, the review of the independence and performance of, as well as communicate openly with, our independent registered public accounting firm; and
- our compliance with legal and regulatory requirements.

Our Audit Committee has the sole authority to approve the engagement, and review the performance of, our independent registered public accounting firm.

Our Board has designated Mr. Ross as an “audit committee financial expert” pursuant to the provisions of Item 407(d)(5) of Regulation S-K, and, pursuant to the Audit Committee Charter, our Audit Committee consists solely of members who are independent directors for the purposes of the applicable NYSE corporate governance rules and Rule 10A-3 under the Exchange Act.

[Table of Contents](#)

Messrs. Ross, Higginbotham and Tanemura are members of the Audit Committee and Mr. Ross serves as Chairman. The Audit Committee held nine meetings in 2014 and acted on various occasions by written consent.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee operates pursuant to the Nominating and Corporate Governance Committee Charter. The Nominating and Corporate Governance Committee Charter sets forth the responsibilities of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for:

- selecting, researching and nominating directors for election by our stockholders;
- selecting nominees to fill vacancies on the Board or a committee of the Board;
- developing and recommending to the Board a set of corporate governance principles; and
- overseeing the evaluation of the Board and our management.

The Nominating and Corporate Governance Committee considers nominees to the Board recommended by a stockholder, if that stockholder complies with the advance notice provisions of our bylaws, as described below.

The members of the Nominating and Corporate Governance Committee are Messrs. Ross, Higginbotham and Tanemura, each of whom is independent for purposes of the NYSE corporate governance rules. Mr. Higginbotham serves as Chairman. The Nominating and Corporate Governance Committee was formed in connection with our initial public offering (“IPO”) in March 2014 and did not hold a meeting in 2014. The Nominating and Corporate Governance Committee will meet one time each year and at additional times as necessary to carry out its responsibilities.

Compensation Committee

The Compensation Committee operates pursuant to the Compensation Committee Charter. The Compensation Committee Charter sets forth the responsibilities of the Compensation Committee. The Compensation Committee is responsible for:

- reviewing and approving the reimbursement by us of compensation paid by the Adviser or its affiliates pursuant to the terms of the investment advisory agreement entered into by and between the Company and the Adviser, as amended (the “Investment Advisory Agreement”) and the administration agreement entered into between us and the Adviser (the “Administration Agreement”);
- overseeing and setting compensation for our directors; and
- along with the Board, approving or renewing the Investment Advisory Agreement and Administration Agreement.

See “ – Compensation and Insider Participation – Compensation of Executive Officers.”

The members of the Compensation Committee are Messrs. Ross, Higginbotham and Tanemura, each of whom is independent for purposes of the NYSE corporate governance rules. Mr. Ross serves as Chairman. The Compensation Committee was formed in connection with our IPO in March 2014 and did not hold a meeting in 2014. The Compensation Committee will meet one time each year and at additional times as necessary to carry out its responsibilities.

IPO Committee

The IPO Committee, which was dissolved after our IPO, held one meeting in 2014. Messrs. Easterly, Fishman and Tanemura were members of the IPO Committee. Mr. Easterly served as Chairman.

We maintain a corporate governance section on our website, which contains copies of the charters for the committees of our Board. The corporate governance section may be found at <http://www.tpgspecialtylending.com> in the “Investor Resources” section of our website. The corporate governance section contains the following documents, which are available in print to any stockholder who requests a copy in writing at 345 California Street, Suite 3300, San Francisco, CA 94104, Attention: TSL Investor Relations, or by emailing us at IRTSL@tpg.com:

In addition, our Code of Business Conduct and Ethics and our Corporate Governance Guidelines may be found at <http://www.tpgspecialtylending.com> in the “Investor Resources” section of our website and are available in print to any stockholder who requests a copy in writing.

Director Nominations

Nomination for election as a director may be made by, or at the direction of, the Nominating and Corporate Governance Committee or by stockholders in compliance with the procedures set forth in our bylaws.

Our bylaws provide the procedures to be followed by a stockholder desiring to make a director nomination. For a stockholder to properly bring any item of business before a meeting of stockholders, including nominations to serve as a director, the stockholder must give timely notice thereof in writing to our Secretary in compliance with the requirements of our bylaws. Stockholder notices or nominations for director should be made in writing to the Secretary of the Company, Jennifer Mello, TPG Specialty Lending, Inc., 301 Commerce Street, Suite 3300, Fort Worth, TX 76102. Please refer to the text of our bylaws (including Article II, paragraph (K)), which are on file with the SEC, and “Bylaw Requirements for Stockholder Submission of Nominations and Proposals” in this proxy statement for additional information.

In evaluating director nominees, the Nominating and Corporate Governance Committee considers, among others, the following factors:

- the appropriate size and composition of our Board;
- whether or not the person is an “interested person” of TSL as defined in Section 2(a)(19) of the 1940 Act;
- the needs of TSL with respect to the particular talents and experience of its directors;
- the knowledge, skills and experience of nominees in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- character and integrity;
- familiarity with national and international business matters;
- experience with accounting rules and practices;
- the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members; and
- any applicable laws, rules, regulations, and listing standards.

The Nominating and Corporate Governance Committee’s goal is to assemble a board that brings to TSL a variety of perspectives and skills derived from high-quality business and professional experience.

[Table of Contents](#)

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider other factors as they may deem are in the best interests of TSL and its stockholders. The Board also believes it appropriate for certain key members of our management to participate as members of the Board.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Nominating and Corporate Governance Committee decides not to re-nominate a member for re-election, the Nominating and Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. The members of the Board are polled for suggestions as to individuals meeting the aforementioned criteria. Research may also be performed to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third-party search firm, if necessary.

The Board has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Nominating and Corporate Governance Committee considers and discusses diversity, among other factors, with a view toward the needs of the Board as a whole. The Board generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board when identifying and recommending director nominees. The Board believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Board's goal of creating a Board that best serves the needs of TSL and the interests of our stockholders.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics which applies to, among others, our executive officers, including our Principal Executive Officers and Principal Financial Officer, as well as every officer, director and employee of the Company. There have been no material changes to our corporate code of ethics or material waivers of the code that apply to our Co-Chief Executive Officers or Chief Financial Officer. TPG has extensive experience with global public and private investments executed through leveraged buyouts, recapitalizations, spinouts, growth investments, joint ventures and restructurings, and has a team of over 250 professionals.

Our Adviser consults with TSSP and TPG in connection with a substantial number of our investments. The TSSP and TPG platforms provide us with a breadth of large and scalable investment resources. We believe we benefit from their market expertise, insights into sector and macroeconomic trends and intensive due diligence capabilities, which help us discern market conditions that vary across industries and credit cycles, identify favorable investment opportunities and manage our portfolio of investments.

Relationship with TPG

Our investment activities are managed by our Adviser, which is responsible for sourcing, researching and structuring potential investments, monitoring our portfolio companies and providing operating, managerial and administrative assistance to us and to our portfolio companies as required.

The Adviser is registered under the Advisers Act and is an affiliate of TSSP and TPG. Other affiliates of TSSP and TPG are also registered investment advisers and provide investment advisory services to a number of private investment funds. In addition, TSSP, TPG and their affiliates engage in a broad range of other investment activities, including pursuing investments for their own account and for the account of associated funds and providing other services to these funds and their portfolio companies. The Adviser held 2,799,817 shares, or 5.1%, of our common stock as of March 27, 2015.

The Adviser entered into a purchase agreement (the "Adviser 10b5-1 Plan"), in accordance with Rules 10b5-1 and 10b-18 under the Exchange Act, under which Goldman, Sachs & Co., as agent for the Adviser, would buy up to \$25 million in the aggregate of our common stock during the period beginning April 23, 2014 and ending on the earlier of the date on which all the capital committed to the Adviser 10b5-1 Plan had been exhausted or December 31, 2014, subject to certain conditions. The Adviser 10b5-1 Plan expired in accordance with its terms on December 31, 2014. During the year ended December 31, 2014, 300 shares were purchased under the Adviser 10b5-1 Plan.

We believe we benefit from the Adviser's relationships with TSSP and TPG. The Adviser has access to the contacts and industry knowledge of TSSP's and TPG's investment professionals, and is also able to consult with TSSP and TPG investment professionals on specific industry issues, trends and other matters to complement our investment process. However, the Adviser and members of the Investment Review Committee are expected to

Table of Contents

face a number of actual and potential conflicts of interest involving us, TSSP, TPG and other private investment funds affiliated with TSSP and TPG, including conflicts in the allocation of investment opportunities among us and other TSSP and TPG vehicles, as well as in their time and attention requirements as to these other vehicles. Additionally, various potential and actual conflicts of interest may arise from the overall advisory, investment and other activities of the Adviser, its affiliates, including TSSP and TPG, and their respective clients.

Allocations of Loan Origination Investment Opportunities

Certain members of the Adviser's senior management and the Investment Review Committee are and will continue to be active in other investment funds affiliated with TSSP and TPG that pursue investment opportunities that could overlap with those pursued by us. However, TSSP and TPG will refer all middle-market loan origination activities for companies domiciled in the United States to us and conduct those activities through us. By origination activities, we mean underwriting and initially funding a loan, as compared with purchasing a loan from another party. The Adviser will determine whether it would be permissible, advisable or otherwise appropriate for us to pursue a particular investment opportunity allocated to us by TSSP and TPG. For example, certain loan origination investment opportunities may not be suitable for us if they would cause us to violate asset coverage or concentration limitations imposed by the 1940 Act or the Code, be ineligible for financing under our financing arrangements, pose adverse legal, regulatory or tax risks, constrain our resources to make future investments, involve inappropriate investment risk or otherwise be inappropriate or inadvisable as an investment for us. If the Adviser deems participation in an investment allocated to us to be appropriate, it will determine an appropriate size for our investment.

In general, allocation determinations for us and funds affiliated with TSSP and TPG begin with a preliminary assessment by the legal department of TPG as to whether a particular investment opportunity is required to be allocated to a particular fund or investment vehicle, including us, or prohibited from being allocated to a particular fund or vehicle.

TPG's legal department makes its preliminary assessment as to whether a particular investment opportunity is required to be allocated to us or any TPG-managed fund or investment vehicle, including us, prior to, or promptly following, the initial discussion of the potential investment at a meeting of our or the relevant fund's investment review committee when it appears that pursuit of the investment is reasonably probable. The legal department delivers its preliminary assessment to TPG's allocation team (or a member thereof). The allocation team is comprised of five of TPG's senior professionals with a scope of responsibilities across all business units of TPG. The team is charged with ensuring that investment opportunities are allocated to us or the appropriate TPG fund. The legal department's determination that an investment opportunity is required to be allocated to us or another fund is the presumptive final allocation decision.

Exemptive Relief

We may also be prohibited under the 1940 Act from knowingly participating in certain transactions with our affiliates, including our officers, directors, investment adviser, and principal underwriters, and certain of their affiliates, without the prior approval of the members of our Board who are not interested persons and, in some cases, prior approval by the SEC through an exemptive relief order (other than in certain limited situations pursuant to current regulatory guidance).

On December 16, 2014, we were granted an exemptive relief order from the SEC that, if certain conditions are met, allows us to co-invest with affiliates of TSSP and TPG in middle-market loan origination activities for companies domiciled in the United States and certain "follow-on" investments in companies in which we have already co-invested pursuant to the order and remain invested. These conditions include, among others, prior approval by a majority of our Independent Directors. The terms and conditions of the investment applicable to any affiliates of TSSP and TPG also must be the same as those applicable to us.

[Table of Contents](#)

Pursuant to the exemptive relief order, to the extent the size of an investment opportunity exceeds the amount our Adviser has independently determined is appropriate for us to invest, our affiliates may be able to co-invest with us, subject to the approval of a majority of our Independent Directors. We believe our ability to co-invest with TSSP and TPG affiliates will be particularly useful where we identify larger capital commitments than otherwise would be appropriate for us. We expect that with the ability to co-invest with TSSP and TPG affiliates we will be able to provide “one-stop” financing to a potential portfolio company in these circumstances, which may allow us to capture opportunities where we alone could not commit the full amount of required capital or would have to spend additional time to locate unaffiliated co-investors.

Further, in accordance with the exemptive relief order, we have undertaken that, in connection with any commitment to a co-investment or follow-on investment, a “required majority” (as defined in Section 57(o) of the 1940 Act) of Independent Directors must make certain conclusions, including that:

- the terms of the proposed transaction (including the consideration to be paid) are reasonable and fair to us and our stockholders and do not involve overreaching of us or our stockholders on the part of any person concerned;
- the transaction is consistent with the interests of our stockholders and our investment strategies and policies;
- the investment by our affiliate would not disadvantage us, and our participation is not on a basis different from or less advantageous than that of our affiliate; and
- our investment will not benefit any affiliate other than the affiliate participating in the investment, and as otherwise permitted by the order.

Allocation of Non-Loan Origination Investment Opportunities

While we seek to generate current income primarily in U.S.-domiciled middle-market companies through direct originations of senior secured loans, we may also invest up to 30% of our portfolio opportunistically in securities or other instruments of issuers not deemed eligible portfolio companies under the 1940 Act. These opportunities may include, among other things, debt issued by companies located outside the United States, publicly and privately traded debt and equity securities of companies listed on a national securities exchange with a market capitalization of \$250 million or more, certain high yield bonds and other instruments or assets (including consumer and commercial loans). Many of these opportunities may be required to be offered to, or may be otherwise suitable for, other TPG funds or investment vehicles, including TSSP funds and investment vehicles. In the event that TSSP or TPG are not required to, and otherwise determine not to, direct these investment opportunities to an affiliated fund, we may be permitted to take them. The decision to allocate an opportunity as between us and other TSSP and TPG vehicles will take into account various factors that TSSP, TPG and our Adviser deem appropriate.

Our ability to pursue investment opportunities other than those for middle-market loan originations for companies domiciled in the United States is subject to the allocation decisions by TSSP and TPG senior professionals. Such non-loan origination opportunities may be required to be offered to, or may be otherwise suitable for, other TPG funds or investment vehicles, including TSSP funds and investment vehicles. As a result, the Adviser and its affiliates may face conflicts in allocating investment opportunities between us and those other entities. It is possible that we may not be given the opportunity to participate in certain investments made by TSSP or TPG vehicles that would otherwise be suitable for us. For example, TSSP has organized a separate investment vehicle aimed specifically at European middle-market loan originations and may in the future organize vehicles aimed at other loan origination opportunities outside our primary focus.

If TPG and the Adviser were to determine that an investment that is not a middle-market loan origination for a company domiciled in the United States is appropriate both for us and for one or more other TSSP or TPG vehicles, we would only be able to make the investment in conjunction with another such vehicle if we receive an order from the SEC permitting us to do so or the investment is otherwise permitted under relevant SEC guidance.

[Table of Contents](#)

The Adviser believes this allocation system is fair and equitable, and consistent with its fiduciary duty to us. In particular, we have disclosed to investors that TSSP and TPG will refer to us all middle-market loan origination activities for companies domiciled in the United States. In addition, we have disclosed how allocation determinations are made among TSSP and TPG vehicles in connection with other opportunities, including those circumstances in which the Adviser may be required to offer them to these affiliated vehicles.

Administrator

The Adviser also serves as our administrator. The administrator, on behalf of us and at our expense, may retain one or more service providers that may also be affiliates of TPG to serve as sub-administrator, custodian, accounting agent, investor services agent, transfer agent or other service provider for us. Any fees we pay, or indemnification obligations we undertake, in respect of the administrator and those other service providers that are TPG affiliates, will be set at arm's length and approved by the Independent Directors.

Fees

In the course of our investing activities, we pay fees to the Adviser, incur direct expenses and reimburse the Adviser for certain expenses it incurs.

Certain Business Relationships

Certain of our current directors and officers are directors or officers of the Adviser or its affiliates. See "Proposal No. 1 Election of Directors – Biographical Information."

Investment Advisory Agreement; Administration Agreement; License Agreement

On April 15, 2011, we entered into the Investment Advisory Agreement with our Adviser. The Investment Advisory Agreement was subsequently amended on December 12, 2011.

Under the Investment Advisory Agreement, the Adviser:

- determines the composition of our portfolio, the nature and timing of the changes to our portfolio and the manner of implementing those changes;
- identifies, evaluates and negotiates the structure of the investments we make (including performing due diligence on our prospective portfolio companies);
- determines the assets we will originate, purchase, retain or sell;
- closes, monitors and administers the investments we make, including the exercise of any rights in our capacity as a lender or equity holder; and
- provides us other investment advisory, research and related services as we may, from time to time, reasonably require for the investment of our funds, including providing operating and managerial assistance to us and our portfolio companies, as required.

The Adviser's services under the Investment Advisory Agreement are not exclusive, and the Adviser is free to furnish similar or other services to others so long as its services to us are not impaired.

[Table of Contents](#)

Under the terms of the Investment Advisory Agreement, we pay the Adviser a base management fee (the “Management Fee”) and may also pay certain incentive fees (the “Incentive Fees”).

The Management Fee is calculated at an annual rate of 1.5% based on the average value of our gross assets calculated using the values at the end of the two most recently completed calendar quarters, adjusted for any share issuances or repurchases during the period. The Management Fee is payable quarterly in arrears and is prorated for any partial month or quarter.

For the year ended December 31, 2014, Management Fees were \$18.3 million, of which \$2.5 million were waived. Until our initial public offering, or IPO, in March 2014, the Adviser had waived its right to receive the Management Fee in excess of the sum of (i) 0.25% of aggregate committed but undrawn capital and (ii) 0.75% of aggregate drawn capital (including capital drawn to pay our expenses) as determined as of the end of any calendar quarter. Any waived Management Fees were not subject to recoupment by the Adviser. Following the IPO, the Adviser has not waived its right to receive the full Management Fee and accordingly, we will be required to continue to pay the full amount of the Management Fee.

The Incentive Fee consists of two parts, as follows:

- (i) Through March 31, 2014, the quarter in which we completed our IPO, the first component, payable at the end of each quarter in arrears, equaled 100% of the pre-Incentive Fee net investment income in excess of a 1.5% quarterly “hurdle rate,” the calculation of which is further explained below, until the Adviser had received 15% of the total pre-Incentive Fee net investment income for that quarter and, for pre-Incentive Fee net investment income in excess of 1.76% quarterly, 15% of all remaining pre-Incentive Fee net investment income for that quarter. The 100% “catch-up” provision for pre-Incentive Fee net investment income in excess of the 1.5% “hurdle rate” is intended to provide the Adviser with an incentive fee of 15% on all pre-Incentive Fee net investment income when that amount equals 1.76% in a quarter (7.04% annualized), which was the rate at which catch-up was achieved. Once the “hurdle rate” was reached and catch-up was achieved, 15% of any pre-Incentive Fee net investment income in excess of 1.76% in any quarter was payable to the Adviser.

Beginning April 1, 2014, the first quarter after our IPO, the first component, payable at the end of each quarter in arrears, equals 100% of the pre-Incentive Fee net investment income in excess of a 1.5% quarterly “hurdle rate,” the calculation of which is further explained below, until the Adviser has received 17.5% of the total pre-Incentive Fee net investment income for that quarter and, for pre-Incentive Fee net investment income in excess of 1.82% quarterly, 17.5% of all remaining pre-Incentive Fee net investment income for that quarter. The 100% “catch-up” provision for pre-Incentive Fee net investment income in excess of the 1.5% “hurdle rate” is intended to provide the Adviser with an incentive fee of 17.5% on all pre-Incentive Fee net investment income when that amount equals 1.82% in a quarter (7.28% annualized), which is the rate at which catch-up is achieved. Once the “hurdle rate” is reached and catch-up is achieved, 17.5% of any pre-Incentive Fee net investment income in excess of 1.82% in any quarter is payable to the Adviser.

Pre-Incentive Fee net investment income means dividends (including reinvested dividends), interest and fee income accrued by us during the calendar quarter, minus our operating expenses for the quarter (including the Management Fee, expenses payable under the Administration Agreement to the Administrator, and any interest expense and dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay-in-kind interest and zero coupon securities), accrued income that we may not have received in cash. Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

- (ii) The second component, payable at the end of each fiscal year in arrears, equaled 15% through March 31, 2014, and beginning April 1, 2014, equals a weighted percentage of cumulative realized capital gains from our inception to the end of that fiscal year, less cumulative realized capital losses

[Table of Contents](#)

and unrealized capital depreciation. We refer to this component of the Incentive Fee as the Capital Gains Fee. Each year, the fee paid for this component of the Incentive Fee is net of the aggregate amount of any previously paid Capital Gains Fee for prior periods. For capital gains that accrue following March 31, 2014, the Incentive Fee rate is 17.5%. We accrue, but do not pay, a Capital Gains Incentive Fee with respect to unrealized appreciation because a Capital Gains Incentive Fee would be owed to the Adviser if we were to sell the relevant investment and realize a capital gain. The weighted percentage is intended to ensure that for each fiscal year following the completion of the IPO, the portion of our realized capital gains that accrued prior to March 31, 2014 is subject to an Incentive Fee rate of 15% and the portion of our realized capital gains that accrued beginning April 1, 2014 is subject to an Incentive Fee rate of 17.5%.

To determine whether pre-Incentive Fee net investment income exceeds the hurdle rate, prior to the IPO, the pre-Incentive Fee net investment income was expressed as a rate of return on an average daily hurdle calculation value. The average daily hurdle calculation value, on any given day, equaled:

- our net assets as of the end of the calendar quarter immediately preceding the day; plus
- the aggregate amount of capital drawn from investors (or reinvested pursuant to our dividend reinvestment plan) from the beginning of the current quarter to the day; minus
- the aggregate amount of distributions (including share repurchases) made by us from the beginning of the current quarter to the day (but only to the extent the distributions were not declared and accounted for on our books and records in a previous quarter).

Following the IPO, for purposes of determining whether pre-Incentive Fee net investment income exceeds the hurdle rate, pre-Incentive Fee net investment income is expressed as a rate of return on the value of our net assets at the end of the immediately preceding calendar quarter.

Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation. Because of the structure of the Incentive Fee, it is possible that we may pay an Incentive Fee in a quarter in which we incur a loss. For example, if we receive pre-Incentive Fee net investment income in excess of the quarterly minimum hurdle rate, we will pay the applicable Incentive Fee even if we have incurred a loss in that quarter due to realized and unrealized capital losses. In addition, because the quarterly minimum hurdle rate is calculated based on our net assets, decreases in our net assets due to realized or unrealized capital losses in any given quarter may increase the likelihood that the hurdle rate is reached and therefore the likelihood of us paying an Incentive Fee for that quarter. Our net investment income used to calculate this component of the Incentive Fee is also included in the amount of our gross assets used to calculate the Management Fee because gross assets are total assets (including cash received) before deducting liabilities (such as declared dividend payments).

We accrue the Incentive Fee taking into account unrealized gains and losses; however, Section 205(b)(3) of the Advisers Act, as amended, prohibits the Adviser from receiving the payment of fees until those gains are realized, if ever. There can be no assurance that such unrealized gains will be realized in the future. For the year ended December 31, 2014, Incentive Fees were \$17.8 million, comprised of fees related to pre-incentive fee net investment income of \$20.8 million offset by (\$2.9) million of incentive fees related to capital gains and losses attributable to unrealized losses on investments and realized losses on foreign exchange transactions.

On November 3, 2014, the Board renewed the Investment Advisory Agreement. Unless earlier terminated as described below, the Investment Advisory Agreement will remain in effect until November 3, 2015, and may be extended subject to required approvals. The Investment Advisory Agreement will automatically terminate in the event of an assignment and may be terminated by either party without penalty on 60 days' written notice to the other party.

The December 12, 2011 amendment to the Investment Advisory Agreement revised the base against which the 1.5% hurdle rate is measured when calculating the Adviser's entitlement to receive a portion of our pre-

[Table of Contents](#)

Incentive Fee net investment income in any given calendar quarter. The amendment applied retroactively to October 1, 2011. Since the completion of our IPO, the base against which the hurdle rate is calculated is determined as described above in this section.

Our Board monitors the mix and performance of our investments over time and seeks to satisfy itself that the Adviser is acting in our interests and that our fee structure appropriately incentivizes the Adviser to do so.

On March 15, 2011, we entered into the Administration Agreement with our Adviser. Under the terms of the Administration Agreement, the Adviser provides administrative services to us. These services include providing office space, equipment and office services, maintaining financial records, preparing reports to stockholders and reports filed with the SEC, and managing the payment of expenses and the performance of administrative and professional services rendered by others. Certain of these services are reimbursable to the Adviser under the terms of the Administration Agreement. See “ – Payment of Our Expenses” below. In addition, the Adviser is permitted to delegate its duties under the Administration Agreement to affiliates or third parties and we pay or reimburse the Adviser expenses incurred by any such affiliates or third parties for work done on our behalf. For the year ended December 31, 2014, we incurred expenses of \$2.7 million for administrative services payable under the terms of the Administration Agreement.

On November 3, 2014, the Board renewed the Administration Agreement. Unless earlier terminated as described below, the Administration Agreement will remain in effect until November 3, 2015, and may be extended subject to required approvals. The Administration Agreement may be terminated by either party without penalty on 60 days’ written notice to the other party.

No person who is an officer, director or employee of the Adviser or its affiliates and who serves as our director receives any compensation from us for his or her services as a director. However, we reimburse the Adviser or its affiliates for an allocable portion of the compensation paid by the Adviser or its affiliates to our Chief Compliance Officer, Chief Financial Officer, and other professionals who spend time on such related activities (based on the percentage of time those individuals devote, on an estimated basis, to our business and affairs). Directors who are not affiliated with the Adviser receive compensation for their services and reimbursement of expenses incurred to attend meetings.

United States federal and state securities laws may impose liability under certain circumstances on persons who act in good faith. Nothing in the Investment Advisory Agreement will constitute a waiver or limitation of any rights that we may have under any applicable federal or state securities laws.

We also have a license agreement with an affiliate of TPG, pursuant to which we have been granted a non-exclusive license to use the TPG name and logo, for a nominal fee, for so long as the Adviser or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we have no legal right to the “TPG” name or logo.

Payment of Our Expenses

The costs associated with our Investment Team and staff of the Adviser, when and to the extent engaged in providing us investment advisory and management services are paid for by the Adviser.

In addition, from time to time, the Adviser pays amounts owed by us to third-party providers of goods or services, including the Board. We subsequently reimburse the Adviser for those amounts paid on our behalf. Amounts payable to the Adviser are settled in the normal course of business without formal payment terms. We also reimburse the Adviser for the allocable portion of the compensation paid by the Adviser or its affiliates to our Chief Compliance Officer, Chief Financial Officer, and other professionals who spend time on those related activities (based on the percentage of time those individuals devote, on an estimated basis, to our business and affairs).

All of the expenses described above are ultimately borne by our stockholders.

Duration and Termination

Unless earlier terminated as described below, both the Investment Advisory Agreement and the Administration Agreement will remain in effect until November 3, 2015, and each may be extended subject to

Table of Contents

required approvals. Each agreement will remain in effect from year to year thereafter if approved annually by our Board or by the affirmative vote of the holders of a majority of our outstanding voting securities, and, in either case, if also approved by a majority of our Independent Directors. The Investment Advisory Agreement automatically terminates in the event of its assignment, as defined in the 1940 Act, by the Adviser. Each agreement may be terminated by either party without penalty on 60 days' written notice to the other party. The holders of a majority of our outstanding voting securities may also terminate each agreement without penalty on 60 days' written notice.

Indemnification

The Investment Advisory Agreement and the Administration Agreement provide that the Adviser and its members, managers, officers, employees, agents, controlling persons and any other person or entity affiliated with it shall not be liable to us for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under the Investment Advisory Agreement, the Administration Agreement or otherwise as an investment adviser of ours (except to the extent specified in Section 36(b) of the 1940 Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services). We will, to the fullest extent permitted by law, provide indemnification and the right to the advancement of expenses, to each person who was or is made a party or is threatened to be made a party to or is involved (including, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative, because he or she is or was a member, manager, officer, employee, agent, controlling person or any other person or entity affiliated with the Adviser, including without limitation the Administrator, or is or was a member of the Adviser's Investment Review Committee, on the same general terms set forth in our certificate of incorporation. Our obligation to provide indemnification and advancement of expenses is subject to the requirements of the 1940 Act and Investment Company Act Release No. 11330, which, among other things, preclude indemnification for any liability (whether or not there is an adjudication of liability or the matter has been settled), arising by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of duties, and require reasonable and fair means for determining whether indemnification will be made.

Board Approval of the Investment Advisory Agreement

Our Board, including our Independent Directors, and holders of a majority of our outstanding securities, approved our Investment Advisory Agreement in December 2011. Our Board, including a majority of the Independent Directors, renewed it in November 2014. In its consideration of the Investment Advisory Agreement at the time of approval and renewal, the Board focused on information it had received relating to, among other things:

- the nature, quality and extent of the advisory and other services to be provided to us by the Adviser;
- our investment performance and the performance of the Adviser;
- the extent to which economies of scale would be realized as we grow, and whether the fees payable under the Investment Advisory Agreement reflect these economies of scale for the benefit of our stockholders;
- comparative data with respect to advisory fees or similar expenses paid by other BDCs with similar investment objectives;
- our projected operating expenses and expense ratio compared to BDCs with similar investment objectives;
- any existing and potential sources of indirect income to the Adviser from its relationships with us and the profitability of those income sources;
- information about the services to be performed and the personnel performing those services under the Investment Advisory Agreement;

[Table of Contents](#)

- the organizational capability and financial condition of the Adviser and its respective affiliates; and
- the possibility of obtaining similar services from other third-party service providers or through an internally managed structure.

The Board also takes into consideration the reimbursement of expenses incurred by the Adviser on our behalf, which expenses include travel expenses, when determining whether to approve renewal of the Investment Advisory Agreement and the Administration Agreement.

Based on the information reviewed and the discussion thereof, the Board, including a majority of the Independent Directors, concluded that the investment advisory fee rates are reasonable in relation to the services to be provided.

Review, Approval or Ratification of Transactions with Related Persons

The Audit Committee is required to review and approve any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, as defined under the Exchange Act, and persons who own more than 10% of a registered class of our equity securities to file initial reports of ownership and reports of changes in ownership with the SEC. Such executive officers, directors and stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of such forms furnished to us and written representations from our directors and executive officers, all persons subject to the reporting requirements of Section 16(a) filed all required reports on a timely basis in 2014, except for a late Form 3 required to be filed pursuant to Section 16(a) of the Exchange Act by Steven Pluss, in his capacity as an executive officer of the Company.

PROPOSAL NO. 2
RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected KPMG LLP to serve as our independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2015. While the Audit Committee is responsible for the appointment, compensation, retention, termination and oversight of the independent auditor, we are requesting, as a matter of good corporate governance, that the stockholders ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain KPMG LLP and may retain that firm or another without re-submitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

KPMG LLP's representatives are expected to be available telephonically for the Meeting and will have an opportunity to make a statement, if they so desire, as well as to respond to appropriate questions asked by our stockholders.

The Board recommends that our stockholders vote "FOR" ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.

Audit Fees

For the year ended December 31, 2014, the aggregate fees billed by KPMG LLP for the audit of our consolidated financial statements, review of our interim financial statements and other professional services related to SEC registration statements were \$963,500. In addition, we reimbursed KPMG LLP \$13,000 for out-of-pocket expenses incurred in the performance of audit services.

For the year ended December 31, 2013, the aggregate fees billed by KPMG LLP for the audit of our consolidated financial statements, review of our interim financial statements and other professional services related to SEC registration statements were \$885,000. AUDIT COMMITTEE REPORT

The Audit Committee of our Board operates under a written charter adopted by the Board. The Audit Committee is currently composed of Messrs. Ross, Higginbotham and Tanemura.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (US) and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States and for auditing and reporting on the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by KPMG LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Review with Management

The Audit Committee has reviewed the audited financial statements, along with management's assessment of the effectiveness of the Company's internal control over financial reporting, and met and held discussions with management regarding the audited financial statements and its assessment of the effectiveness of the Company's internal control over financial reporting. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's Co-Chief Executive Officers and Chief Financial Officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has reviewed and discussed the Company's audited financial statements, along with management's assessment of the effectiveness of the Company's internal control over financial reporting and KPMG LLP's evaluation of the Company's internal control over financial reporting, with management and KPMG LLP, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review the results of KPMG's examinations, the Company's internal controls and the quality of the Company's financial reporting.

The Audit Committee also has discussed with KPMG matters relating to KPMG's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Public Company Accounting Oversight Board Auditing Standard No. 16, *Communications with Audit Committees*. In addition, the Audit Committee has discussed with KPMG their independence from management and the Company, as well as the matters in the written disclosures received from KPMG and required by Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*. The Audit Committee received a written communication from KPMG confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with KPMG the Company's critical accounting policies and practices, other material written communications to management, and the scope of KPMG's audits and all fees paid to KPMG during the fiscal year. The Audit Committee has adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by KPMG for the Company. The Audit Committee has reviewed and considered the compatibility of KPMG's performance of non-audit services with the maintenance of KPMG's independence as the Company's independent registered public accounting firm.

Conclusion

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, the Audit Committee's review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission. The Audit Committee also recommended the selection of KPMG LLP to serve as the independent registered public accounting firm for the year ending December 31, 2015.

Respectfully Submitted,

The Audit Committee:
John Ross, Chairman
Richard Higginbotham
Ronald Tanemura

Unless marked to the contrary, the shares represented by the enclosed proxy card will be voted "FOR" ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.

The material contained in the foregoing Audit Committee Report is not "soliciting material," is not deemed "filed" with the SEC, and is not to be incorporated by reference into any filing of the Company under the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

STOCK REPURCHASE PLAN

In accordance with Section 23(c)(1) under the 1940 Act, the Company hereby advises you that it may repurchase shares of its common stock from time to time.

On November 3, 2014, the Board approved a stock repurchase plan to acquire up to \$50 million in the aggregate of the Company's common stock at prices just below the Company's net asset value per share over a specified period, in accordance with the guidelines specified in Rule 10b-18 and Rule 10b5-1 of the Exchange Act (the "stock repurchase plan"). On February 20, 2015, the Board extended the termination date of the stock repurchase plan to June 30, 2015.

The stock repurchase plan is designed to allow the Company to repurchase its common stock at times when it otherwise might be prevented from doing so under insider trading laws. The stock repurchase plan requires an agent selected by the Company to repurchase shares of common stock on the Company's behalf when the market price per share is below the most recently reported net asset value per share. Under the plan, the agent will increase the volume of purchases made as the price of the Company's common stock declines, subject to volume restrictions. The timing and amount of any stock repurchases will depend on the terms and conditions of the plan, the market price of the common stock and trading volumes, and no assurance can be given that any particular amount of common stock will be repurchased.

Unless extended or terminated by the Board, the Company expects that the stock repurchase plan will be in effect through the earlier of June 30, 2015 or such time as the approved \$50 million repurchase amount has been fully utilized, subject to certain conditions.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for the Notice of Internet Availability of Proxy Materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are the Company’s stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to our Investor Relations Department by mail at TPG Specialty Lending, Inc., 345 California Street, Suite 3300, San Francisco, CA 94104, Attention: TSL Investor Relations, by email at IRTSL@tpg.com or by phone at 415-486-5939. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement, annual report and/or Notice of Internet Availability of Proxy Materials, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement, annual report and/or Notice of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, WE URGE YOU TO VOTE OVER THE INTERNET, BY PHONE, OR BY MARKING, SIGNING AND RETURNING YOUR PROXY OR VOTING INSTRUCTION CARD AS SOON AS POSSIBLE. NO POSTAGE IS NECESSARY IF MAILED IN THE UNITED STATES.

By Order of the Board of Directors,
